

What do we do...

At Fleet Assess, we have more than 30 years' experience in the commercial trailer rental and manufacturing sector.

Our offering to you is different from traditional trailer companies as we really do offer a one stop shop solution for all your trailer requirements; **New trailer procurement, transformations, trailer rental, repair and maintenance, accident damage, flexible funding, fleet management, trailer sales & fleet disposal.**

... A National Service with a Local Feel ...

New Trailers. We can supply you with new trailers built to your exact specification at highly competitive prices. From specification to delivery. Post build quality inspections, collections, safety PDI's and liaising with the manufacturer direct is all done by us giving you a true end to end benefit.

Transformations. Is your fleet looking tired, have you a new contract and would like your trucks and trailers to match their corporate message or have you changed your corporate identity and you want your fleet to match? If so let us transform your fleet. From simple livery changes to full transformations, your project is managed, to pre-agreed standards, timescales and budget.

Trailer Rental. We offer a unique no nonsense approach to short term rental (spot hire) and contract hire. Both include our nationwide fleet management service with our 24/7/365 roadside breakdown assistance as standard. This is coupled with access to our online fleet management system which allows you to manage your fleet records and download documents whenever or wherever you are.

... You only need one number ...

Repair & Maintenance. We have our own Fleet of Mobile Service Engineers backed up by a national network of approved suppliers, most of whom have worked with us for many years. This ensures that the work carried out is to our very high standards and is competitively priced. R&M fixed price packages available.

Accident Damage. We work hard to get your damaged trailer or vehicle back on the road in the shortest possible time. Repairs are carried out to the highest quality and with no mid repair surprises.

Flexible Funding. Are you looking to re-finance your existing assets, invest in new equipment via operating lease or higher purchase, sell your assets and lease them back? We have a flexible funding solution for you.

Trailer Sales & Disposal. Do you need to buy used quality trailers, sell or de-fleet your assets. We can help with ensuring a smooth transition of your fleet.

Fleet Management. Let us take the 'strain' away from you in ensuring that your fleet is compliant and maintained to schedule. Defect rectification and 24/7/365 national roadside assistance are all included.

Our focus is on providing you with a high quality professional and personal service. Delivering what we promise.

What our customers say...

"It's been an absolute pleasure to deal with Niven and his team for our hired trailer requirements as well as refurbishing our own fleet. Always happy to help and contactable whenever we need him, nothing is too much trouble. They pride themselves in their fleet which makes our drivers proud to take their trailers up and down the country.

Fleet Assess prices are very competitive, their service is impeccable, and I would highly recommend them throughout the industry."

"Competitive pricing is just one of the reasons why we keep using Fleet Assess for all our livery and maintenance needs. For me, it's the extra mile that Fleet Assess will go for you. Niven is always available to talk to, offering expert advice and guidance. When I was tasked with organising new livery across our fleet the decision was easy. Fleet Assess have delivered a first-class result at a great price. I would highly recommend Fleet Assess for all trailer needs regardless of the size of fleet."
